

Invest in Solar and save... Ask us how!

We provide Trusted Commercial Solar Solutions.

Investing in Solar is the right decision. The cost of electricity has risen by roughly 290% in the last 10 years.

Receive dramatic cost savings by using less electricity from the grid.

Fix your electrical tariff costs for the next 20 years!

Trust Magnet as your Solar partner.

At Magnet, we specialise in Electrical, Lighting, Solar and Back-up Power supplies and solutions. With over 51 years of experience in the industry, we are the most trustworthy partners to support you with solar solutions:

- In-house engineers that have experience in design, supply and installation of solar systems
- Our systems are engineered to your load requirements
- Guaranteed system performance (with a maintenance contract in place)
